

**2020 Missouri Emergency Management Conference
August 24 - 28, 2020
Saint Charles Convention Center**

Speaker Proposal Form

In anticipation of the upcoming 2020 Missouri Emergency Management Conference, the Conference Planning Committee is looking for ideas and suggestions for this year's breakout sessions and keynote speakers. We are looking for exceptional speakers who can enhance the knowledge of our attendees, while creating an exciting and informative learning atmosphere. This will be an all-hazards emergency management conference with tracks focusing on all Emergency Management, Hazmat and Health related topics.

Keynote speakers are needed for Wednesday and Thursday morning General Sessions and Friday morning closing session.

Breakout Session speakers are needed for Wednesday and Thursday. Session times are 1:00pm-2:00pm, 2:15pm-3:15pm, and 3:30pm-4:30pm.

If you have a topic and would like to present in one of these areas or if you know of a speaker, please complete the form below with your suggestion(s):
